Early-bird registration until August, 1  
Abstract submission until August, 19  
Visa application deadline: July, 15

## Topics:

- Integrative Structural Biology of Membrane Proteins
- Aging, Neurodegenerative and other Age-Related Diseases
- Rhodopsins and Optogenetics
- Biotechnology and Bioelectronics
- Cryo-Electron Microscopy
- Computational Biology and Bioinformatics
- Structure-Based Drug Design
- Protein Design and Engineering
- Next Generation X-Ray Crystallography
- Small-Angle X-Ray and Neutron Scattering
- Single Molecule and Super-Resolution Microscopy
- Advanced Cell Biology

## Confirmed speakers:

- Zhi-Jie Liu**  
iHuman Institute, ShanghaiTech University (China)
- Claudio Franceschi**  
University of Bologna (Italy), Lobachevsky State University (Russia)
- Arun Shukla**  
Indian Institute of Technology (India)
- Alexey Amunts**  
Westlake University (China)
- Andrei A. Gilep**  
Institute of Bioorganic Chemistry NASB (Belarus),  
V. N. Orekhovich Research Institute of Biomedical Chemistry (Russia)
- Na Li**  
Shanghai Synchrotron, CAS (China)
- Yan Zubavichus**  
Borisev Institute of Catalysis,  
Siberian Branch of RAS (Russia)
- Petr Bregestovski**  
National Institute of Medical Research (France),  
Kazan State Medical University (Russia)
- Kirill D. Piatkevich**  
Westlake University (China)
